Dear Sir/Madam,

(COLLECTIVELY REFERRED TO AS "THE PROPOSAL")

1. INTRODUCTION

At the Company's Third AGM held on 28 May 2014 ("3rd AGM"), the Company had obtained a mandate from its shareholders to enter into RRPTs and provision of financial assistance pursuant to Paragraph 8.23 and 10.09 of Chapter 10 and Practice Note 12 of the Listing Requirements.

In connection thereto, the Company had on 30 April 2015 announced that it proposes to seek shareholders' approval for a renewal of shareholder' mandate for the Group's existing RRPTs and existing provision of financial assistance at the forthcoming AGM.

The purpose of this Circular is to set out the details of the Proposal, to set out the Board's recommendations and to obtain your approval for the resolutions to be tabled at the forthcoming AGM.

SHAREHOLDERS OF OCK GROUP BERHAD ARE ADVISED TO READ THE CONTENTS OF THIS CIRCULAR CAREFULLY TOGETHER WITH THE APPENDIX I CONTAINED HEREIN BEFORE VOTING ON THE ORDINARY RESOLUTIONS PERTAINING TO THE PROPOSALS AT THE FORTHCOMING AGM.

Pursuant to Paragraph 10.09(2) of the Listing Requirements, a listed issuer may seek a mandate from its shareholders in respect of related party transactions which involve Recurrent Transactions subject to the following:

- a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where:
 - (i) the consideration, value of the assets, capital outlay or costs of the RRPT(s) is RM1 million or more; or
 - (ii) the percentage ratio of such RRPT(s) is one percent (1%) or more;whichever is the lower;
- c) a circular to shareholder is issued by the Company for shareholders' mandate and shall include all information as may be prescribed by Bursa Securities. The draft circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- d) in a meeting to obtain shareholders' mandate, the interested Directors, interested Major Shareholder or interested persons connected with a Director or Major Shareholder, and where it involves the interest of an interested Person Connected with a Director or a Major Shareholder, such Director or Major Shareholder must not vote on the resolution approving the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions;
- e) the Company immediately announces to Bursa Securities when the actual value of a Recurrent Transaction entered into by the Company exceeds the estimated value of the Recurrent Transactions disclosed in the Circular by ten percent (10%) or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Paragraph 3.4 of Practice Note 12 stipulates that notwithstanding Paragraph 8.23 of the Listing Requirements and subject to Paragraph 10.09 of the Listing Requirements and other provisions of this Guidance Note, a listed company may obtain a mandate from its shareholders in respect of the following RRPTs:

 - (ii) if the actual amount of financial assistance provided or rendered exceeds the Estimate, the listed company must immediately announce the same to Bursa Securities. If the percentage ratio of the amount of financial assistance provided or rendered in excess of the Estimate is five percent (5%) or more, the listed company must comply with Paragraph 10.08 of the Listing Requirements.

For purpose of this Paragraph:

- (aa) "short or medium term basis" shall mean for a duration not exceeding three (3) years; and
- (bb) "group of companies" means the subsidiaries, associated companies of the listed company and the listed company's immediate holding company which is listed.

 - (iii) such other similar business that may be determined by Bursa Securities.

Pursuant to Paragraph 8.23 of the Listing Requirements, a listed corporation may lend or advance any money or guarantee, indemnify or provide collateral for a debt, to or in favour of the following:

- (i) directors or employees of the listed company or its subsidiaries;
- (ii) persons to whom the provision of financial assistance –
 - (aa) is necessary to facilitate the ordinary course of business of the listed company or its subsidiaries; or
 - (bb) pursuant to the ordinary course of business of the listed company or its subsidiaries;
 - such as the provision of advances to its sub-contractors or advances made to clients in the ordinary course of its moneylending business; or
- (iii) the subsidiaries associated companies or joint arrangements of the listed company, the listed company (in the case of the subsidiaries providing the financial assistance) or its immediate holding company which is listed.

the board of directors of the listed company must ensure that the provision of financial assistance referred to above is fair and reasonable to the listed company and is not to the detriment of the listed company and its shareholders. The said provision of financial assistance shall be implemented on short term basis, of which the period should be no more than three (3) years. The above provisions under Paragraph 8.23 of the Listing Requirements, however, do not apply to the provision of financial assistance provided to or in favour of the listed corporation or wholly-owned subsidiaries of the listed corporation.

In compliance with Paragraph 10.09(2) of the Listing Requirements, Practice Note 12, and in view of the frequent nature of such transactions, OCK hereby proposes to seek shareholders' approval for the Proposed Renewal of Shareholders' Mandate for the RRPTs. The Proposed Renewal of Shareholders' Mandate, if approved by the shareholders at the forthcoming AGM, will be subject to annual renewal. In this respect, any authority conferred by the Proposed Renewal of Shareholders' Mandate, shall only continue to be in force until:

2.3 Procedures engaged to determine transaction prices

To ensure that the RRPTs are conducted on transaction prices and terms not more favourable to the Related Parties than those generally available to the public at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies and will not be detrimental to minority shareholders, the management will ensure that the transactions with the Related Parties will only be entered into after taking into account the pricing, expertise required and other related factors.

The procedures and principles established by the Company are as follows:

- (i) The rental of properties shall be at the prevailing market rates for the same or substantially similar properties and shall be in line with industry norms;
- (ii) The negotiation of and entrance into agreements and other material contracts in relation to the rental of testing equipment will be undertaken on contractual terms and conditions in line with industry norms and practices; and
- (iii) The purchase of goods shall be based on normal commercial terms and transacted at the prevailing market prices.

At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, where possible to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

In the event that quotation or comparable pricing from unrelated third parties cannot be obtained, the transaction price will be based on our Group's usual business practices and policies to ensure that the RRPTs are not detrimental to OCK and OCK Group.

2.4 Threshold of Authority

There are no specific thresholds for approval of RRPTs within the OCK Group. However, all RRPTs are subject to the approval of the Board. Where any Director has interests (direct or indirect) in any RRPTs, such Director shall abstain from deliberation and voting on the matter. If it is determined that the guidelines and/or procedures stated in Section 2.5 of this Circular, are inadequate and to ensure that:

- (i) RRPTs will be conducted at arm's length and on normal commercial terms which are more favourable to the Related Parties than those generally available to the public; and
- (ii) such transactions are not to the detriment of the minority shareholders of the Company or prejudicial to the interests of the shareholders,

the Company will obtain a fresh shareholders' mandate.

2.5 Review Procedures and Practices in relation to RRPTs

To monitor the RRPTs, the following review procedures will be implemented:

- (i) The interested Directors and Major Shareholders are required to declare and disclose to the Board in a timely manner on transactions in which they are deemed interested.
- (ii) Records will be maintained by the Management to capture all RRPTs which are entered into pursuant to the Proposed Renewal of Shareholders' Mandate.
- (iii) Records pertaining to the RRPTs will be kept and monitored by the Management. The status of these RRPTs (including debt settlement/collection, interest charges/late payment charges) will be monitored by the Management.
- (iv) Where applicable, the terms of the pricing of the RRPTs will be consistent with the Group's usual business practices and policies and will take into consideration the terms and conditions, level of service and expertise required, reliability and consistency of products and services as compared to the prevailing market rate of prices, and general practices by other service providers of similar capacity and capability.

- (v) In accordance with the Listing Requirements, disclosure in relation to the breakdown of the aggregate value of the RRPTs entered into during the financial year based on amongst others, the following information:
 - (a) the type of RRPTs; and
 - (b) the names of the Related Parties involved in each type of RRPTs made and their relationship with the Company

will be made in the Company's annual reports for the financial years during which the shareholders' mandate are in force.

- (vi) The annual internal audit plan shall incorporate a review of all RRPTs entered into pursuant to the Proposed Renewal of Shareholders' Mandate to ensure that the relevant approvals have been obtained and the review procedures in respect of such transactions are adhered to.
- (vii) All RRPTs will be reviewed by the Audit Committee on a quarterly basis. The Audit Committee undertakes to ensure that the RRPTs entered into are conducted:
 - (a) at arm's length;
 - (b) on normal commercial terms;
 - (c) on terms not more favourable to the Related Parties than those generally available to the public;
 - (d) in the Company's opinion, are not detrimental to the minority shareholders; and
 - (e) in the best interest of OCK Group.

In their periodic review of such transactions, the Audit Committee may, as it deems fit, request for additional information from independent sources.

- (viii) Where any Director has an interest (direct or indirect) in any RRPTs, such Director shall abstain from deliberation and voting at the board meetings on the matter. Where any member of the Audit Committee is interested in any transactions, that member shall abstain from voting on any matter relating to any decisions to be taken by the Audit Committee with respect to such transactions.

An interested Director or interested Major Shareholder must ensure that persons connected with him will abstain from voting on the resolution approving the transactions.

2.6 Statement by the Audit Committee

The Audit Committee has reviewed the procedures mentioned in Section 2.5 of this Circular and is of the view that:

- (i) the said review procedures are sufficient to ensure that transactions are made at arm's length and on normal commercial terms not more favourable to the related parties than those generally available to the public and on terms not to the detriment of the minority shareholders; and
- (ii) OCK and its subsidiaries have in place adequate procedure and processes to monitor, track and identify RRPTs in a timely and orderly manner, and such procedures and processes are reviewed on a yearly basis or whenever the need arises.

2.7 Amounts due and owing by Related Parties

As at end of financial year ended 31 December 2014, none of the sums due and owing by the Related Parties, have exceeded the credit terms.

3. CONDITION FOR THE PROPOSALS

The Proposals are conditional upon approval being obtained from the shareholders of the Company at the forthcoming AGM. The Proposals are not conditional upon any other proposal and are not inter-conditional.

4. RATIONALE FOR THE PROPOSALS

The rationale for and benefits of the Proposed Renewal of Shareholders' Mandate to the OCK Group are as follows:

- (i) Most of these RRPTs are existing arrangements which have been in place prior to the listing of OCK and are revenue in nature and are necessary for OCK Group's day-to-day operations. In order to minimize unnecessary expenditure and time to convene a general meeting for this purpose alone, the Board is seeking shareholders' mandate in respect of the RRPTs and provision of financial assistance.

The Board is also seeking a mandate pursuant to Paragraph 10.09 of the Listing Requirements for the RRPTs described in Section 2.2.2 of this Circular with the class of related parties specified in Section 2.2.1 above to allow OCK and its subsidiaries to enter into such RRPTs made on arm's length basis and on normal commercial terms and which are not prejudicial to the interests of the minority shareholders.

The obtaining of the proposed mandate on an annual basis would eliminate the need to convene separate meetings from time to time to seek shareholders' approval as and when potential RRPTs arise; thereby reducing substantially administrative time and expenses associated with convening of such meetings, without compromising the corporate objectives of OCK or adversely affecting the business opportunities available to the Group.

- (ii) The OCK Group has established relationships with the Related Parties, and share complementary activities in one or more of its principal business activities with the Related Parties. It is therefore in the interests of the OCK Group to transact with such Related Parties (in addition to their transactions with third parties in the ordinary course of business) so that the Group can enjoy synergistic benefits, where applicable. Therefore, the Recurrent Transactions entered into with the Related Parties represent business decisions, which are undertaken for legitimate and bona fide business purposes, after a thorough assessment of the merits and increased efficiency of these transactions, pursuant to the review procedures as outlined in Section 2.5 above.
- (iii) The procurement of the proposed general mandate for the provision of financial assistance within the Group would facilitate the pooling of funds within the OCK Group via a centralized treasury management function or such similar arrangement function or such similar arrangements in a short or medium term basis of not exceeding three (3) years.

In addition, the general mandate would also allow the OCK Group to bridge, on a temporary basis, as and when required, the working capital requirement which is necessary for the continuing operations of business.
